

FraMCoS XII

April 23-25, 2025 | Vienna, Austria

Invitation for Sponsorship & Exhibition

The **FraMCoS XII Conference – Fracture Mechanics for Concrete and Concrete Structures** will take place on the premises of TU Wien on April 23-25, 2025.

The FraMCoS XII will continue a **remarkable series of conferences which have repeatedly gathered the key players in the ever-changing and interdisciplinary field of fracture mechanics for concrete and concrete structures**. It does not only promise to become an inspiring and stimulating scientific event but will also allow for an unforgettable cultural experience in the beautiful city of Vienna.

Scientists of great renown have agreed to deliver **plenary lectures** at FraMCoS XII, comprising Prof. Zdeněk P. Bažant (Northwestern University, USA), Prof. Laura De Lorenzis (ETH Zurich, Switzerland), Prof. Pania Newel (The University of Utah, USA), Prof. Gilles Pijaudier-Cabot (Université de Pau et des Pays de L'Adour, France), Prof. Timon Rabczuk (Bauhaus University Weimar, Germany), and Prof. J.N. Reddy (Texas A&M University, USA).

The scientific programme of FraMCoS XII will comprise about **250 presentations in 16 mini-symposia**. Prospective participants will come from all over Europe (approx. 45 %), Asia & Pacific (approx. 43 %), and the Americas (approx. 12 %).

Conference details are available on the webpage at <https://framcos12.conf.tuwien.ac.at/>

The exhibition is an integral part of the conference, providing attendees with the opportunity to update themselves on the latest technical developments. Furthermore, it presents our **industry partners with the chance to interact with a great number of key decision makers and potential new clients**. The exhibition will be combined with coffee break areas, thus ensuring maximum exposure and visibility for your company as well as a flow of visitors to the company booths throughout the entire conference.

Your support is essential for the success and attractiveness of the conference and will be highly appreciated by the organizers. We would be pleased to welcome you at FraMCoS XII!

Please submit the attached application form to secure your sponsorship and exhibitor space as soon as possible. Please see below details of the different sponsorship and exhibition packages:
